SURVEY ORDER

Rick Kreps, Marine Surveyor, is authorized to perform Survey on:

Vessel: _____ Date: _____
Builder: _____ Location: _____

The Survey will be conducted with the vessel hauled and or afloat and will include an inspection of the vessel, the vessels structure and equipment. The purpose of the survey will be to determine the condition and the approximate fair market value of the above captioned vessel.

All fees are due and payable at the conclusion of the field portion of the Survey. The completed Report of Survey will be provided within three business days, after the Survey is completed.

The Survey will represent a professional opinion and is not a guarantee of condition. There are areas aboard any vessel that are not accessible due to tight quarters, tankage, personal gear and or construction. Furthermore, fittings, plumbing, wire casings, permanently fastened carpeting, panels, partitions, sheathing, joiner work, deck covering, ground tackle or any other permanently or semi-permanently installed items will not be removed for inspection. Locked or otherwise inaccessible areas will also prevent inspection.

Specific sizes, material, etc. given in the report are believed to be correct but are not guaranteed. Any notations or marks made in the margins or between the lines of the Report of Survey do not constitute a part of the Report of Survey.
In no event, shall any liability exceed the cost charged for the Survey.

I understand and agree to the above conditions and stipulations.
